STAMPING GROUND.

A lodge of the Ancient Order of United Workmen was organized in our town on Thursday night of last week, with flattering prospects. I have been unable to obtain a list of the officers.

The case against Church Brown, colored, charged with the murder of French Lair, at Stone's Mill, was continued in the circuit court at Georgetown until the next term of that court.

There are many very ugly rumors in regard to that case, which I will not report in the hope that they may not be borne out by the evidence at the trial, and they are better not canvassed at all.

What came near being a very serious accident occurred to the venerable Dr. E. H. Black, on Sunday night. He was crossing the street on his way to his nephew's home from the Baptist Church. Just then a young man came driving his buggy along, and not seeing Dr. Black in the dark, drove his buggy over him, knocking him senseless and inflicting a number of cuts and bruises, but, strange to say, he was not seriously hurt. He was well enough to leave for his home in Frankfort on Tuesday, accompanied by his daughter, M's. Helen McClure, who came to him as soon as she learned of his injuries. As soon as this good man recovered consciousness he remarked to his pastor, Rev. T. W. Benge, that he felt like singing "Praise God from whom all blessings flow," for His goodness in his almost miraculous escape from instant death.

Our farmers are disturbed by the damage to corn, hemp and tobacco inflicted by the cut worms. A few hot days would soon remedy this, however.

Prospects for fruit and wheat crops are splendid.

YACOB.

Mr. James Brown, of Putmouth, Va., over 90 years of age, suffered for years with a bad sore on his face. Physicians could not help him. DeWitt's Witch Hazel Salve cured him permanently. South & Longmoor and W. McKee Hardie.

FORKS OF ELKHORN.

Mrs. Craig Hughes has returned from Beards, after a months stay.

Mr. D. Morris Brock has returned to Mississippi, where he has taken a position with the same firm as last year—as inspector of the levees.

Miss May Hockensmith spent Wednesday night with Miss Henton Thompson, near Jetts.

Mr. J. L. Holton, who has been quite ill for the past month, is convalescing very slowly.

Rev. George Cleveland conducted a series of meetings at the Christian Church last week.

Mr. Nelson Alley, who has been in Kansas City for the past year, is expected home Sunday.

Miss Beulah Hockensmith, of Shelbyville, is the guest of Miss Carolyn Brock.

Mr. Oscar Suter makes frequent trips to Millville, Say, Oscar, just bring her back with you next time.

Regular services at Buck Run Sunday and Sunday night. Services by the pastor, Rev. W. M. Hearrin, of Georgetown College. A KID.

BENSON VALLEY.

Mr. Albert Hall, of Bridgeport, was on Benson last Sunday.

Mr. Sylvester Sudduth and wife visited their son, Mr. James Sudduth, of Leestown, last Sunday.

Born—May 24th, to the wife of

Mr. Fred Craig—twins—both girls.

Mr. Ernest Pierce called on Miss Mary Ann Quire last Sunday afternoon.

Just think of Miss Laura Hall having two sweethearts Sunday and we cannot have a single bean. It is so disgusting.

Misses Annie and Minnie Moore, of Benson, were the guests of Miss Ida Sanford last Monday.

Died—May 18th, at her home on Benson, Mrs. Ruth Moore, wife of Mr. Stoddard J. Moore. She was a faithful wife, loving mother, true friend and a devoted Christian. She leaves a husband, three children, father, mother, four sisters and three brothers to mourn her loss. Her funeral took place at Benson Church and was conducted by Rev. J. H. Burdin, after which she was laid to rest in the churchyard to await the resurrection morn.

The hands are now so softly laid Across our loved one's breast, While care can never invade Her everlasting rest.

God called her to His courts above, To His celestial care;

An heir of Christ's redeeming love We know we'll meet her there.

The friends at home all mourn for thee

Where happy hours were spent, The Lord has called, and left are we,

To weep and to lament.

Thy sweet confession of thy God, Witnessed on all thy days,

So soon to leave the vale you trod, So quietly you passed away.

Loved one, sleep within thy tomb

'Till resurrection morn, When to the chosen of the Lord Jerusalem shall dawn.

Weep not, dear husband, for thy one,

Her course is finished now; Angels were sent to wait her on Their wings now fan her brow.

Weep not, dear sisters, for the loss Of her now gone above

To join the chorus in the skies, With Jesus and His love.

Weep not, dear brothers, for the one

We loved so here below, "The Lord has called," she seemed to say,

Loved ones I now must go.

MEDICAL SOCIETY SPECIAL.

Will be run by Northwestern Line from Chicago to St. Paul.

It is of interest to all physicians and the public as well to know that the Northwestern line will run "The Medical Association Special" from Chicago to St. Paul, Monday, June 3, at 7:30 p. m., on account of the 52d annual meeting of the American Medical Association, which will be held in that city from June 4 to 7.

The arrangements are perfected for the accommodation of such members of the American Medical Association and their friends. The train will be composed of the latest pattern Pullman sleeping buffet cars, and will run through without change. That passengers may obtain 6 o'clock dinner in Chicago and early breakfast in St. Paul, arrangements have been made to leave the C. & N. W. Station at 7:30 p. m., arriving in St. Paul Tuesday morning.

The fare is reduced, the round trip being \$18.50, tickets good on the special and on all regular trains. The rate for sleeping car berths is \$2 for double berth, each berth providing sleeping accommodations for two persons. Tickets on the "Special" are limited to June 15, but an extension may be secured to July 15 on deposit of tickets with the joint agent in St. Paul upon payment of 50 cents.

Those desiring special locations may arrange for their reservations either by letter or by personal application to Mr. Charles Truax, of Truax, Greene & Co., 42-46 Wabash Avenue, Chicago, or any office of the C. & N. W. R. R. Arrangements have been made with Eastern and Southern lines whereby Pullman sleepers may be run through to St. Paul and attached to Medical Association special, thus avoiding the necessity of changing cars.

A special trip to the Yellowstone park has been arranged open to members of the A. M. A., their families and friends. The special will leave St. Paul over the N. P. R. R., June 7, in the evening, and five and one-half days will be spent in the park. The fare for the trip, which includes everything, sleeping car and dining car service, hotel bills, stage coach, etc., is \$5.00 for each person from St. Paul. LEWIS-CRUTCHER—At the home of the bride, on the West Side, at 6 o'clock, on Tuesday evening, Mr. Wm. Abbott Lewis and Miss Elizabeth Hodges Crutcher were married by Rev. Dr. McClusky Blaney.

The wedding was a very quiet one, only a few of the immediate relatives and close friends of the contracting parties being present. They were the recipients of quite a number of beautiful and appropriate gifts.

After partaking of a delightful lunch, they left on the 7:40 C. & O. train for their home at Gladly, W. Va.

DEATHS.

MOORE—At her home near Benson, this county, on Friday, Mrs. Margaret Moore, wife of Judge J. Dan Moore, aged 64 years the day of her death.

Mrs. Moore was an old fashioned Christian woman—quiet, gentle and loving. Her life work has been well done and she has "entered in through the gates into the eternal city of God." From girlhood she was a consistent and zealous member of the North Benson Baptist Church.

Her devotion to her husband and children was beautiful to behold—ready at all times to do

anything and everything for their comfort and happiness.

She leaves an aged husband, six sons and four daughters to mourn her untimely death.

Death came to her, however, as a blessed relief from pain and suffering, as she had been sick a long time.

The funeral services were conducted at North Benson Church on Saturday afternoon, by her pastor, Rev. John H. Burdin, after which the remains were buried in the churchyard, among her kindred dead.

To her warm hearted, but desolate husband, and to her bereft family we tender our sincerest sympathy.

TAYLOR—Miss Margaret Taylor, formerly of this city, died at Annapolis, Maryland, on Thursday. The deceased was a sister of the late Col. Richard H. Taylor and Mrs. Sarah Joutet, and an aunt of Mrs. M. J. Dudley, of this city, and also a niece of President Zachary Taylor. The remains will be taken to Jefferson county for interment in the old family burying ground, near Louisville.

FOGUSVILLE.

There have been such sudden changes in the weather that it

seems as if the north frigid zone had changed places with the torrid zone.

We had a heavy hail storm in this section last Friday.

It seems as if the parlors in this section are more comfortable with fire in the heater than with fans in the hand.

Messrs. James B. Tucker and L. Cohorn, of Stamping Ground, passed through our village last Thursday afoot. Something, quite strange that these gentlemen should be walking. Lost their horse and carriage, and fifteen pounds of fish near Church's school-house. Quite a joke.

Mrs. Patsy Bailey, who has been sick for the past few weeks, we are glad to say, is some better.

Mr. John Marshall, of Harvieland, was in our midst this week, looking after the tobacco interests. He is a hustler.

The Way That Women Work.

It's enough to wear any one out. First it's washing, in damp and draft. Then it's ironing with the hot stove and the hard work to endure. And in between whiles, meals to get, house to clean, and children to tend. It's bad enough for a well woman but for a weak woman it's slow torture. Dr. Pierce's Favorite Prescription cures the diseases of the delicate organs which weaken women. It makes weak women strong and sick women well.

Sick women are invited to consult Dr. Pierce by letter, free of charge. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y. "My health is the best now that it has been for four years," writes Mrs. Phoebe Morris, of Ira, Saragha Co., N. Y. "But I have taken but two bottles of your medicine, 'Favorite Prescription' and 'Golden Medical Discovery.' These medicines have done me more good than all that I have ever taken before. Before I took your medicines I was sick in bed nearly half the time. I couldn't do my work only about half the time, and now I can work all the time for a family of four. My advice to all who are troubled with female weakness is to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery'—the most wonderful medicines in the world."

Dr. Pierce's Pleasant Pellets sweeten the breath.

The Frankfort Roundabout

FRANKFORT, JUNE 1, 1901.

DELINQUENTS.

We desire to call the attention of a number of our subscribers to the fact that they are in arrears upon their subscriptions.

We have notified some of them of their arrears, to which they have not responded.

After this date we shall stop their papers unless they settle their accounts.

There are others to whom we will send notices in a short time, and shall expect prompt responses, or they will be discontinued likewise.

These are small amounts to the individual, but amount to a considerable sum in the aggregate.

GOOD MAN GONE.

It was sad news that flew over our city, on Friday evening, when it was announced that Mr. Rofaxon Rogers had laid down life's burden and entered into eternal rest.

Mr. Rogers was seventy years of age, and was born in Massachusetts, but had been a citizen of Kentucky from boyhood. In early life Mr. Rogers was in the employ of the Louisville, Frankfort & Lexington Railroad (now the L. & N.), and was roadmaster until about 1870, at which time he resigned and removed to this city, entering into the furniture and undertaking business, in which he was engaged at the time of his death.

In 1803 he was married to Miss Emma Pettit, of this city, a sister of Hon. Thos. S. Pettit, of Owensboro. To them were born 8 children—six sons and two daughters. His wife died about three years since, but his children all survive to mourn one of the best of fathers.

Mr. Rogers was a devoted Christian and an office-bearer in the Methodist Church.

Quiet, unassuming, gentle and retiring in disposition, yet he was a determined and energetic man, who thought out all the problems of life and then acted upon his own convictions as to the right. After once having made up his mind as to his duty he was firm and unyielding, perfectly fearless of consequences.

Thoroughly upright in all his dealings, he commanded the respect and confidence of all with whom he came in contact.

This community has sustained a loss that it could ill afford.

The funeral services were conducted by Rev. J. R. Savage, his pastor, assisted by Rev. M. B. Adams, of the Baptist Church, at 4 o'clock on Sunday afternoon, from the Methodist Church, after which the remains were laid to rest beside his wife in the family lot in our cemetery. The large attendance upon these services

attested the high regard in which Mr. Rogers was held in this city. We tender to the bereft our sincere sympathy.

Backache should never be neglected. It means kidney disease which, if allowed to run too long, may result in Bright's disease, diabetes and other serious and often fatal complaints. Foley's Kidney Cure makes the kidneys well. Take nothing else. South & Longmoor and W. McKee Hardie.

MONDAY'S FIRE.

At 1:30 o'clock on Monday afternoon an alarm from box 82 called the fire boys to the residence of Mrs. Robt. H. Crittenden, on Wapping street, between Washington and Wilkinson streets where it was found that there was a pretty serious blaze, the whole roof being on fire.

By hard work the boys succeeded in putting out the fire, but not before the roof was consumed.

It seems that the roof caught fire early that morning, from a defective flue, but was thought to have been extinguished; it, however, smouldering until the house named.

The loss by fire and water was about \$2,000, on which, unfortunately, there was no insurance.

The property belongs to the Misses Burnley, who live with their sister, Mrs. Crittenden.

We notice that some of our exchanges stated that it was one of the oldest houses in the city. This is a mistake, as it was built by the late Mr. Jno. B. Bibb, in 1857 or 1858, and there are any number of houses that were built long years before this one.

Fatal mistakes are made by those who do not heed the earlier symptoms of kidney or bladder trouble that often end in Bright's disease or diabetes. When Foley's Kidney Cure makes the kidneys well, how foolish it is to delay. South & Longmoor and W. McKee Hardie.

EARLY CLOSING.

We desire to again call the attention of our merchants to the desirability of their uniting in the proposition to close all business houses at 7 o'clock p. m. during the months of June, July and August.

It is a well known and acknowledged fact that the clerks in retail establishments, where they close early, during the hot months, are in better condition to render intelligent and efficient service than they could be if kept at work until the late hours prevailing during the rest of the year.

Humanity, if nothing else, should prompt employers to give their employes this boon.

Much the greater number of the larger retail stores in our big cities close up promptly at 6 o'clock p. m. the year round. Why should our merchants then withhold this act of justice to their tired force during this short period?

We are glad to say that almost every merchant who has been approached on the subject has readily consented to sign the agreement. There are only one or two holding out against it. We trust they may see their error and join in with their competitors.

After the first few days there will be but little inconvenience to any one, and that should not be thought of when the benefits are so great to this hardworking class of our citizens.

DELICIOUS.

We are under obligations to our fair friend, Miss Carolyn Brock, of Fair View, near the Forks of Elkhorn, for a box of delightful

strawberries, which were very large, in fact the largest and nicest we have seen this season. Miss Brock kindly remembers us every year, and we tender thanks for the nice gift.

These berries will soon be on the market, and those wishing to obtain the nicest and largest should watch for the Brock wagon.

Men may differ on politics, religion or finance, but all who have tried Banner Salve are agreed as to its worth for cuts, burns, sores, piles and skin diseases. It's the most healing medicine in the world. South & Longmoor and W. McKee Hardie.

SENATORS RESIGN.

U. S. Senators Tillman and McLaurin, of South Carolina, after having held an acrimonious debate, wherein Tillman charged McLaurin with having ceased to be a Democrat, tendered their resignations as U. S. Senators, with a view to submitting the question of their Democracy to a primary, the victor to be re-elected to the Senate for the long term.

CHEAP INSURANCE.

Many a man has been insured against Bright's disease, diabetes, or other dangerous ailments by a fifty cent bottle of Foley's Kidney Cure. South & Longmoor and W. McKee Hardie.

MISSIONARY MEETING.

The meetings held at the Methodist Church, in the interest of missions, commencing on Friday evening and running through Tuesday morning, was a very interesting and profitable one to all who attended.

There were about seventy-five delegates in attendance, representing the churches in the Kentucky Conference.

The members of the Methodist Church and their able young pastor entertained the delegates in true old Kentucky style.

It is earnestly trusted that the fruits of the meeting may be of lasting benefit to the cause.

You may as well expect to run steam engine without water as to find an active, energetic man with a torpid liver, and you may know that his liver is torpid when he does not relish his food or feels dull and languid after eating, often has headache and sometimes dizziness. A few doses of Chamberlain's Stomach and Liver Tablets will restore his liver to its normal functions, renew his vitality, improve his digestion and make him feel like a new man. Price, 25c. Samples free at J. W. Gayle's and South & Longmoor's drug store.

BUYS A HOME.

Mr. Chas. A. Watts, of this office, has purchased from Mr. John Reib his two story cottage, on Short street, South Side. Mr. Watts moved his family into his new home this week.

Dyspeptics can not be long lived because to live requires nourishment. Food is not nourishing until it is digested. A disordered stomach can not digest food, and it must have assistance. Kodol Dyspepsia Cure digests all kinds of food without aid from the stomach, allowing it to rest and regain its natural functions. Its elements are exactly the same as the natural digestive fluids, and it simply can't help but do you good. South & Longmoor and W. McKee Hardie.

We wish to correct the mistake in the date of Mrs. Ruth Moore's death, which appeared in our last issue. We said, or intended to say, the 18th, instead of the 1st, as before stated, for of course the first day of May did not come on Saturday.

We are glad to report Mr. J. H. Sudduth much improved at this writing.

Died—At her home on Benson, Friday, May 24th, Mrs. Margaret Moore, wife of Judge Dan Moore. She leaves a husband and ten children, six boys and four girls, and a host of relatives and friends. The funeral took place at Benson Church, Saturday evening, conducted by her pastor, Rev. J. H. Burdin, after which the remains were borne to their last resting place in the churchyard by her six sons, it being her request that they officiate as pall-bearers. Mrs. Moore was a highly esteemed lady, giving much of her time to the service of the Master. To the bereaved ones we tender our heartfelt sympathy, urging them to look forward to that great day when those that she loved shall live forever in that happy land. Then sleep, sweet mother, and fondest wife.

Since Jesus has freed you from all earthly strife.

At the portals of glory, relieved from all pain,
Loved ones you shall meet her again.

Miss Juliette Pirtle, of Louisville, is the guest of Miss Margaret Taylor.

Mr. Alfred Read left Thursday for a visit to relatives in Covington, Ky., and if his health will permit he expects to go from there to Indiana and make a visit before he returns home.

Mr. W. H. Parrent and family spent Monday with relatives in Bridgeport.

Messrs. Crockett and William E. Parrent, who have been in the Philippine Islands for nearly two years, arrived home all O. K. on Sunday morning. Every body was glad to welcome them back, and many sad hearts rejoiced.

Mrs. Sallie Graves, of Frankfort, visited Mrs. A. B. Read one day this week.

One of our young ladies says a soldier is the lad for her, and a brave heart she adores. Now is your chance. You sent your sweetheart to the war. But, dear girl, never mind. The soldier boy didn't forget the little girl he left behind.

We are glad to see Mr. Willie Utterback in our community again. He has been working in Frankfort for some time, but is at home now.

Dr. Crutcher and Mr. C. W. Utterback went to Black's pond fishing on Wednesday last.

Miss Annie Holder attended church at Bridgeport Sunday.

Miss Ola Hawkins is still on the sick list and improves but very little. For almost a year she has been suffering indescribable pain and misery, which she bears with as much patience and almost without a murmur, that she has won the hearts of all who know her. Miss Ola is sadly missed by a host of friends, who are anxiously awaiting her recovery, and who hope that her doctor, with God's help, will soon have her restored to health and out again.

UNNECESSARY LOSS OF TIME

Mr. W. S. Whedon, Cashier of the First National Bank of Winnet, Iowa, in a recent letter gives some experience with a carpenter in his employ, that will be of value to other mechanics. He says: "I had a carpenter working for me who was obliged to stop work for several days on account of being troubled with diarrhoea. I mentioned to him that I had been similarly troubled and that Chamberlain's Colic, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the drugist here and informed me that one dose cured him, and he is again at his work." For sale by J. W. Gayle and South & Longmoor.

To the Roudabout:

For the benefit of persons who are not informed in regard to the merits of Osteopathy, in cases of serious illness, I wish to make a statement of my case. About the first of March I contracted a very severe case of the la grippe, complicated by asthma, and this followed by pneumonia.

I was under the care of Dr. Buckmaster during the entire period of my illness, and I must say that Osteopathy proved equal to the case in every sense of the word. Osteopathic treatment is entirely equal to any emergency, and there never was a time that Dr. Buckmaster did not have the case well in hand. I firmly believe that had it not been for Osteopathic treatment I could not have recovered.

The high fever which usually accompanies pneumonia was very readily controlled. I can not commend Osteopathy too highly, and I think the test I have given the new science is sufficient to warrant my opinion.

HIS LIFE SAVED

By Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"I am sure that Chamberlain's Colic, Cholera and Diarrhoea Remedy at one time saved my life," says A. E. Lafalette, of Gregory Landing, Clark county, Missouri. "I was in such bad shape that the doctors said I could not live. When I was at the lowest ebb, one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I took it and got instant relief. I soon got up and around. That was nine years ago and I am still in good health. Since then that medicine has always been in my house and always will be. It is the best on earth." For sale by J. W. Gayle and South & Longmoor.

ANOTHER FRANKFORT PREACHER HONORED.

Rev. J. R. Savage will preach the evening sermon on the commencement occasion at Science Hill School, Shelbyville, next Sunday.

The pupils of that college have a rare treat in store for them.

A GOOD COUGH MEDICINE.

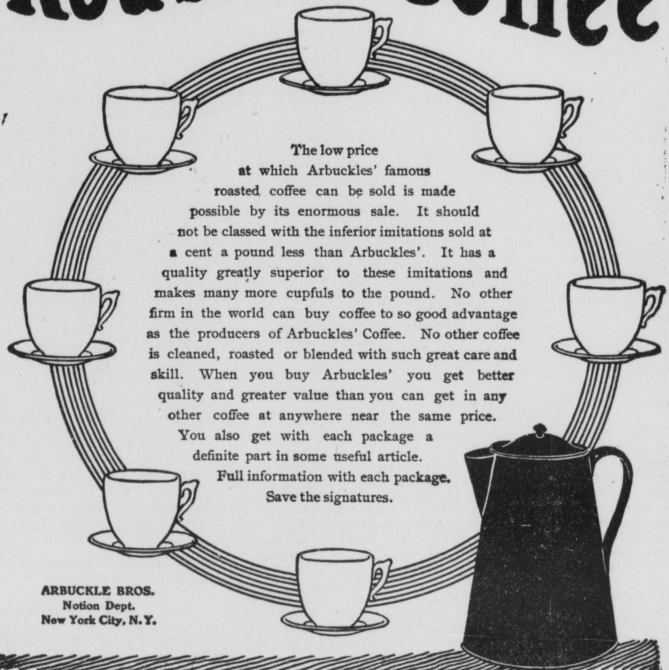

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says druggist J. Goldsmith, Van Etten, N. Y. "I have always used it in my own family, both for ordinary coughs and colds, and for the cough following la grippe, and find it very efficacious." For sale by J. W. Gayle and South & Longmoor.

DECORATION DAY.

Thursday last was decoration day, and, notwithstanding the chilling rain, there was quite a crowd at the cemetery at 4 o'clock, and, after the usual ceremonies by the officiating officers of Albert G. Bacon Post, No. 38, G. A. R., and prayer by Rev. J. R. Savage, of the Methodist Church, the graves of the veterans who had laid down their lives for their country, in all the recent wars, were abundantly decorated with flowers, which had been arranged by the ladies.

The colored people, headed by G. W. Monroe Post, No. 35, G. A. R., marched to the colored cemetery where appropriate exercises were held and the graves decorated by a committee of school children.

Arbuckles' famous Roasted Coffee

The low price at which Arbuckles' famous roasted coffee can be sold is made possible by its enormous sale. It should not be classed with the inferior imitations sold at a cent a pound less than Arbuckles'. It has a quality greatly superior to these imitations and makes many more cupsful to the pound. No other firm in the world can buy coffee to so good advantage as the producers of Arbuckles' Coffee. No other coffee is cleaned, roasted or blended with such great care and skill. When you buy Arbuckles' you get better quality and greater value than you can get in any other coffee at anywhere near the same price. You also get with each package a definite part in some useful article.

ACCOMMODATIONS FOR VISITORS IN BUFFALO.

So much has been said and written about the ability of the City of Buffalo to care for the crowds which will attend the Pan-American Exposition this summer, that a few facts and figures will be appreciated by the general public.

In the first place there are listed more than two hundred hotels which will give accommodation to thirty thousand people; there are six hundred and fifty boarding and rooming houses affording accommodation for eight thousand five hundred, while seven thousand owners of houses, most of whom never before hung out their lath string for a consideration, have signified their intention of opening their houses for the accommodation of visitors to Buffalo this summer. These seven thousand homes will accommodate at least one hundred thousand visitors.

The Exposition Company has arranged to furnish tent accommodation on the Exposition grounds for two hundred and fifty uniformed men. There are also two companies arranging tent systems which will afford additional accommodation outside of the grounds to fifteen hundred or so. In addition to all this there are a large number of buildings, throughout the city now being remodeled and converted into hotels, the plans of which are not far enough along to afford an accurate description or to estimate accommodation at the present time. It is safe to estimate the present capacity of the City of Buffalo to accommodate one hundred and fifty thousand strangers.

To this may be added accommodations for at least fifty thousand in the surrounding towns such as Tonawanda, La Salle, Niagara Falls, Lockport, Williamsville, Gardenville, Depew and Lancaster, all within a short trolley ride of the city.

Rates in hotels range from \$1 per day upward. As ridiculous stories have been circulated in regard to exorbitant hotel rates it is well to note the rates that have been established at the Iroquois, the most expensive hotel in the city, these are for one in a room, without bath, \$3 and upward; for two in a room without bath, \$5 and upward; thus making the minimum rate \$2.50 per individual. The rates for a room with bath for one person, \$5, or for two in a room \$7.50. This is on the European plan. Of course there are rooms and suits of rooms in this hotel for much higher rates for those who wish to pay them, but the prices here given are the highest in the city for hotel accommodations as the term is ordinarily understood.

The Broeze after May 1st, will charge from \$4 to \$5 with two or more in a room; this rate is strictly on the American plan. Meals at this hotel are 75 cents each.

The Geneva will charge from \$2 upward on the European plan. Rates at the Mansion House, on the European plan, will be from \$1.50 per day upward, with two in a room.

The New Tift House will be run on the European plan after May 1st, and will charge \$2.50 to \$8.00 per day for a room, without bath, and from \$3.50 to \$5 with bath.

Good accommodations can be secured in many other good hotels at rates ranging from \$1 per day up.

Among the private homes of the city accommodations may be secured in as good rooms as a person

would wish to occupy from \$1 to \$2 per day, and in nearly all cases families will furnish breakfast at from 25 to 50 cents each, while regular boarding houses make rates with a range in price to fill all pocket books.

The tenting plan is something new in Exposition accommodation. It is managed under thorough sanitary arrangements and, no doubt, will be satisfactory to those who are familiar with this form of accommodation. City water, plenty of fresh air, electric lights, board floors to the tents, easy access to the exposition grounds and a cheap rate of accommodation will be some of the points of advantage in this respect.

A number of the local reliable agencies are engaged in locating visitors in homes in the city. These can be relied upon as being honest, straight-forward and efficient, they are composed of business men of integrity, who will carefully protect strangers in the city, and visitors may feel assured of courteous treatment and safe conduct to accommodations which have received careful inspection.

A branch of the Exposition Information Bureau has been established to look after the accommodation of colored people who may visit the exposition. A. M. Thomas, a colored lawyer, of the city, who is well known to most of the colored citizens and who has their confidence, has been appointed to make a thorough organization and is prepared to furnish accommodation for all colored visitors.

This shows the complete manner in which accommodation for visitors to Buffalo has been provided.

HOW IT IS DONE.

The first object in life with the American people is to "get rich," the second, how to regain good health. The first can be obtained by energy, honesty and saving; the second (good health) by using Green's August Flower. Should you be a despondent sufferer from any of the effects of Dyspepsia, Liver Complaint, Appendicitis, Indigestion, etc., such as Sick headache, Palpitation of the Heart, Sour Stomach, Habitual Constipation, Dizziness of the Head, Nervous Prostration, Low Spirits, etc., you need not suffer another day. FIRE AT SPRING HILL.

A blaze broke out in the slop drier at the Spring Hill Distillery, on Wednesday night, partially destroying it. Being outside the city an alarm was not turned in, but the notice of the fire was given by telephone. Not being able to reach the fire city department did not go out. The loss will amount to \$75.

KENTUCKY'S OIL BOOM.

It seems as though we are to have a big share of the oil boom now on, for the Kentucky oil fields of Wayne, Rowan and other counties have started the mad rush to obtain options on oil lands. Two oil wells in Wayne county are said to equal the Beaumont, Texas, gushers, and two in Rowan county are following close up with the procession.

Prices of lands in those fields have gone skyward.

A GENTLE HINT

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingled in a single day—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boschee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Croup, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. Get a sample bottle from John W. R. Williams & Co., Frankfort, Ky. Regular size, 75c. Get Green's Prize Almanac. 81-ly.
